## THE EPIPHANY OF THE LORD

### ALL SHARE IN THE PROMISE

Picture a nativity scene in your mind's eye. The scene likely includes figures arriving on camels, some elaborately dressed, with jeweled boxes containing precious gifts. These magi arrived from distant lands to pay homage to the Christ Child. We know little about the magi, but we do know that these visitors were not Jews. They represent people of all nations who will be drawn to the Lord. "Nations shall walk by your light, and kings by your shining radiance." The Good News of Jesus cannot be limited to one people; all share in the promise of God's mercy through our Lord Jesus Christ.

Epiphany is a day when popular customs mostly overshadow scriptural accuracy. Matthew's Gospel never refers to kings coming to see Christ, nor to their number (only the gifts are enumerated), nor to their names. Matthew tells us only that some "magi" came with gold, frankincense, and myrrh. *Magos* referred to members of the Persian priestly class; later it had the connotation of magicians and astrologers. Matthew's magi report that they have seen a star rising; its light was visible to them far beyond the boundaries of Israel, an early and significant symbol for Jesus, the Light of the World. At the end of Matthew's Gospel (chapter 28), the followers of Jesus worship him, an act foretold in the actions of the Magi today. The eleven are told to make disciples of "all nations," nations symbolized by the Magi. Today we hear our own mission: to worship Jesus Christ, and to spread his Good News everywhere, every day.

### STAR OF WONDER

In our day-to-day lives, we can experience epiphanies: new perceptions, unexpected insights, sudden changes in direction. In the liturgical year, Epiphany celebrates the appearance of a star in the heavens, a remarkable star followed by the Magi to Jesus, Mary and Joseph. They are not so different, our daily epiphanies and the Epiphany celebrated today. The arrival of the Magi certainly changed Mary and Joseph's perceptions of the world, the same way a helpless, tiny baby likely altered the Magi's insights as to what a star in the heavens would reveal. The story of the Magi—and the story of Jesus, Mary, and Joseph—is filled with unexpected changes in direction, as God's plan continues to vary when it encounters people who cooperate with it, and others who attempt to thwart it. A deep and long reflection on this day we call Epiphany will uncover numerous epiphanies.

### TODAY'S READINGS

**First Reading** — Rise up in splendor, Jerusalem! The Lord shines upon you and the glory of the Lord appears over you (Isaiah 60:1-6).

**Psalm** — All the nations will worship you, Lord (Psalm 72).

**Second Reading** — The Gentiles are coheirs, copartners in the promise in Christ Jesus (Ephesians 3:2-3a, 5-6).

**Gospel** — Magi from the east arrive looking for the newborn king of the Jews (Matthew 2:1-12).

### STAR OF LOVE

Like all of the Christmas season, Epiphany celebrates God's eternal and infinite love. In a special way, this day shows how God's love is truly all-inclusive. The magi were not Jews, not part of the Chosen People who expected that the Messiah was coming to save only them. Early on in his Gospel, Matthew tells us that God's love will not be limited by our human presumptions or boundaries. We still struggle with the fact that God is constantly epiphan-izing us to grow beyond the limits of our experience or expectations, to move beyond the boundaries of the world around us. Let us pray that we might be given epiphanies to help us find grace where we didn't believe it existed, to aid us in understanding that God's love is most often shown by who is included, not who is excluded. May we open our eyes and hearts to know that the Christ-light shines everywhere.

The Star of Bethlehem

Almost every year at Christmastime, you can find a newspaper article or TV documentary about the star of Bethlehem. Astronomers give various theories about whether the magi saw a new star, perhaps a supernova, or a comet, or a conjunction of two or more planets. Since the magi are generally believed to be astrologers, the conjunction seems most likely.

More important is the meaning of the star. In Matthew's Gospel, light is used as a symbol of the good news of Jesus coming into the world. Jesus is the light of the world, so the magi follow that light to get to Jesus. That's why verse 9 of the Gospel has the image of the star preceding the wise men and stopping over the house where Jesus was. By following the star, they become followers of Christ. So what do the magi show us about following Jesus?

First, they take the initiative. They saw the star, figured out what it meant, and made their journey. As followers of Jesus, we can look for what needs to be done (in our family, parish, or community) and do it. We don't have to wait for the pastor to call us and beg for help—there are probably articles in this bulletin asking for help.

Second, they expressed their faith in Jesus by the gifts they brought: gold—a gift for a king, who is worthy to be followed; frankincense—Jesus is worthy to be worshiped as Son of God; and myrrh—Jesus becomes king by dying for us all. We can express our faith in many ways. We can volunteer to help the poor, the elderly, or the disabled. We can teach our children how to pray and tell them about all that God has done for us.

Third, they were not afraid to take risks for Jesus. When they went back home without telling Herod where they found the child, Herod was furious (Matthew 2:16). For all they knew, he could have come after them. How often do we take risks for the Lord, by openly speaking about our faith or giving God credit for the good that we do? Let the star of Bethlehem remind us that Jesus is the star of our lives.
